Part #	Description	List
M23 Portable Printer		
M23	Designed for Retail and Medical Applications. 3" Wide Portable Batch printer with Peel On Demand, Li-Ion Battery, battery charger, hand strap. Standard printer features include 3.6 ips print speed, USB, Serial, Graphical LCD interface	**$995**
99-0290006-00LF	M23 with BlueTooth printer with above features	**$1,295**
99-0290005-00LF	M23 RF 802.11b system with above features	**$1,655**
M23 Linerless	Batch version with linerless platen	**$1,020**
52-0290002-00LF	Extra battery for M23 printer	**$90**
98-0290003-00LF	BlueTooth Module only, does not include printer	**$300**
62-0290003-00LF	Single Charger Base Station Only, Does not include transformer	**$60**
62-0290001-00LF	U.S. Power Supply for Charger Base Station	**$28**
36-0290003-00LF	Strap, Shoulder Carrier M23 Series	**$9**
36-0290002-01LF	Strap, Hand Carrier M23 Series	**$9**

Part #	Description	List
TDP-245 Direct Thermal Desktop		
TDP-245	Desktop, Plastic, Clamshell design DT only 203 dpi, 5 ips 5" internal media supply,2 MB Flash, 2MB DRAM, USB, Parallel, & Serial Ports. TSPL-EZ programming language supports TSPL, Eltron™ and Zebra™ languages languages, scalable True Type font engine. Seagull Scientific™ BarTender Ultra-Lite software and Windows drivers. Package includes printer, power supply, US power cable, parallel cable, CD with windows drivers, sample media.	**$445**
TDP-245RTC	TDP-245 with factory installed real time clock	**$475**
98-0260017-01LF	TDP-245 Peel-off Mechanism with Present Sensor for Direct Thermal	**$25**
98-0250064-00LF	Ext. Label Roll Mount Ass'y complete with 3" core	**$25**
98-0260050-00LF	Internal Ethernet module	**$265**
99-0500032-00LF	Ext. Ethernet Card (110V)	**$235**
98-0250130-00LF	Cutter (Knife type) Full Cut	**$195**
98-0500028-10LF	4M Memory Card	**$130**
98-0500030-10LF	8M Memory Card	**$230**
98-0260044-00LF	Replacement 203 dpi Print Head	**$180**

M23

A Perfect Portable Retail Solution

> Designed for retail and product marking environments
> Front LCD 5 button display with LED indicators
> State of the art battery performance
> 203dpi at 3.6 ips
> 4 MB FLASH program memory, 4MB DRAM memory
> Fanfold slot
> Serial, USB
> Linerless option
> 2 Year Warranty

TDP-245 Direct Thermal Desktop

World's Best Direct Thermal Printer

> 5 ips, 203 dpi
> TSPL-EZ language with Scalable True Type font engine
> Center biased clamshell design with USB, Parallel, Serial ports
> 5" OD Media internal, optional 8" OD external
> Polycarbonate double wall design
> Fully adjustable top of form sensing
> 2 MB DRAM memory and 2 MB FLASH, 512K addressable
> Seagull Bartender Ultra Lite included
> 2 Year Warranty

TTP-245 Thermal Transfer Desktop Printer

TSC's most popular printer

- > 5 ips, 203 dpi
- > 300 dpi version also available
- > TSPL-EZ language with Scalable True Type font engine
- > Clamshell design with USB, Parallel, Serial ports
- > 300 meter ribbon supply
- > 5" OD Media internal, optional 8" OD external
- > Polycarbonate double wall design
- > Fully adjustable top of form sensing
- > 2 MB DRAM memory, 2 MB FLASH, 512K addressable
- > Seagull Bartender Ultra Lite included
- > 2 Year Warranty

TTP-343 Thermal Transfer Desktop Printer

- > 300 dpi resolution
- > 3 ips Thermal Transfer/Direct Thermal bar code printer
- > Dual motor design for durability and quiet operation
- > 300 meter ribbon supply with clamshell design
- > 32 bit RISC processor, 2 MB DRAM, 1 MB FLASH memory
- > Parallel, Serial & USB interfaces
- > 5" OD label supply
- > Windows drivers and LabelView XLT+ design software included
- > Flash firmware: TSPL command language
- > 2 Year Limited Warranty

Part #	Description	List
TTP-245 Series Thermal Transfer Desktop Printers		
TTP-245	Desktop Clamshell Thermal Transfer Printer 300 meter ribbon 203 dpi, 5 ips 5" internal media supply,2 MB Flash, 2MB DRAM. USB, Parallel and Serial ports, TSPL-EZ programming language supports TSPL, Eltron™ and Zebra™ languages languages, scalable True Type font engine. Seagull Scientific™ BarTender Ultra-Lite software and Windows drivers. Package includes printer, power supply, US power cable, parallel cable, CD with windows drivers, sample media.	**$525**
TTP-245RTC	TTP-245 with factory installed real time clock	**$555**
TTP-343	300 dpi version of TTP-245. 3 ips	**$695**
TTP-343RTC	300 dpi version of TTP-245. 3 ips with factory installed real time clock	**$725**
98-0250014-01LF	TTP-245 Peel-off Mechanism with Present Sensor for Thermal Transfer	**$25**
98-0250064-00LF	Ext. Label Roll Mount Ass'y complete with 3" core	**$25**
98-0250135-00LF	Internal Ethernet module	**$265**
99-0500032-00LF	Ext. Ethernet Card (110V)	**$235**
98-0250130-00LF	Cutter (Knife type) Full Cut	**$195**
98-0500028-10LF	4M Memory Card	**$130**
98-0500030-10LF	8M Memory Card	**$230**
98-0250128-00LF	Replacement 203 dpi Print Head for TTP-245	**$180**
98-0270032-00LF	Replacement 300 dpi Print Head for TTP-343	**$250**

Part #	Description	List
TTP-244 Thermal Transfer Ultra-Low Cost Desktop Printer		
TTP-244	The fastest economy desktop thermal transfer printer. DT/TT, 203 dpi, 4 ips, USB, Serial, 300 meter ribbon, 2M Flash, 2MB DRAM, TSPL-EZ programming language supports TSPL, Eltron™ and Zebra™ languages languages, scalable True Type font engine. Seagull Scientific™ BarTender Ultra-Lite software and Windows drivers.	**$400**
98-0250064-00LF	Ext. Label Roll Mount Ass'y complete with 3" core	**$25**
64-0180002-00LF	Replacement 203 dpi TPH for TTP-244	**$180**

TTP-244 Thermal Transfer Ultra-Low Cost Desktop Printer

The Fastest Low-Cost Printer in the World

> 4 ips, 203 dpi, USB & Serial Connectivity

> TSPL-EZ language

> Scalable font engine

> Dual motor system for durability and quiet operation

> 300 meter ribbon supply

> 4.3" OD Media, 8" external option

> 2 MB DRAM memory, 2 MB FLASH, 512K addressable

> Seagull Bartender Ultra Lite included

> 2 Year Warranty

TSC
Connecting Your Thermal Printing Needs.™

Stand Alone Keyboards

- The easiest way to build a stand-alone printing system
- Replaces computers to save both money and valuable working space
- Receives power from printers serial port, or via optional transformer
- Three models to choose from
- 68 Keys, Large keypad layout
- 20 character by 2 line LCD display
- 2 Serial ports for connecting to printers, scanners, etc.
- 2 Year Limited Warranty

Stand Alone Keyboards

Part #	Description	List
KP200	KP200 Stand Alone printer for TSC Desktop Printers	**$195**
KP200-EPL2	KP200-EPL2 Stand Alone keyboard for printers that use EPL2 command language	**$195**
99-0230001-00	KU007 Plus Fully Programmable Stand Alone Keyboard	**$250**
KBCOVER	Protective Cover for KP200/KU07 keyboard protects from spills	**$15**
99-0120007-00	AC Power Adapter Kit	**$49**

Stand Alone Solutions for all TSC Desktop Printers

Part #	Description	List
99-0170001-00LF	KP-200 Keyboard/Terminal for all TSC printers	**$195**
99-0170007-00LF	KP-200e keyboard for EPL2 machines	**$195**
KU-007 Plus	Fully Programmable Stand-alone keyboard.	**$295**
99-0050008-00	BP-2000 Battery Pack with Recharger -- 2,000 printed inches/8 hour standby per charge for all TSC desktop printers	**$250**
99-0320002-00LF	TSC Linear Image Scanner with cable designed for TSC printers & keyboards	**$145**
99-0320001-00LF	TSC TSS-011 CCD Contact Scanner with cable designed for TSC printers & keyboards	**$95**

TSC Ribbons

Part #	Description	List
AWX66-984'X4"B	TSC Wax Ribbon 4.33" W x 300 meter	**$11.20**
APR5-984'X4"B	TSC Wax/Resin Ribbon 4.33" W x 300 meter	**$20.60**
AXR7+ - 984'X4"B	TSC Resin Ribbon 4.33" W x 300 meter	**$36.50**

Part #	Description	List
TTP-246M Series Industrial Thermal Transfer Printers		
TTP-246M	Low Cost Metal Industrial Barcode Solution. 203 dpi, DT/TT, 6ips, 8" OD media supply. Front LCD display, USB, parallel, serial ports. Uses up to 360 meter ribbons, coated either inside or out. TSPL-EZ programming language supports TSPL, Eltron™ and Zebra™ languages languages, scalable True Type font engine. Seagull Scientific™ BarTender Ultra-Lite software and Windows drivers. . Package includes printer, US power cable, parallel cable, CD with windows drivers.	**$995**
TTP-344M	Metal Industrial, 300 dpi,4ips version of TTP-246M	**$1,195**
98-0220034-00LF	Cutter (knife)	**$295**
98-0220078-00LF	Internal Ethernet module for TTP-246M, TTP-344M	**$295**
98-0160017-00LF	Present Sensor Option	**$35**
98-0220023-03LF	4M Memory Card	**$145**
98-0220023-07LF	8M Memory Card	**$185**
98-0220043-00LF	Replacement 203 dpi TPH for TTP-246M	**$250**
98-0220044-00LF	Replacement 300 dpi TPH for TTP-344M	**$325**

TSC
Connecting Your Thermal Printing Needs.™

Industrial Printers

TTP-246M Industrial Series

The Low Cost Industrial Printing Solution

- 203dpi at 6ips
- 300 dpi version also available
- TSPL-EZ firmware with Scalable font engine
- 2MB DRAM, 2MB FLASH, 512 K addressable
- Real Time Clock is standard
- Popular small footprint with USB, Parallel, & Serial ports
- Front LCD 3 button display
- Metal covers
- 8" OD Media 1" or 3" core, 300 meter ribbon on 1" core
- Seagull Bartender Ultra Lite included
- 2 Year Warranty

TTP-344M Industrial Series

- 300 dpi resolution, 4 ips
- Thermal Transfer/Direct Thermal bar code printer
- All Metal Design
- Front 2x20 LCD Display
- 2 MB DRAM, 1 MB FLASH memory
- Windows drivers and LabelView XLT+ design software included
- Includes USB, Parallel, Serial interfaces plus Real Time Clock
- Flash firmware: TSPL, EPL2, DPL and other command languages available
- 2 Year Limited Warranty
